WORK EXPERIENCE

- 2019
October-Present **Luis Pons Design Lab** | Miami, FL, USA | *Furniture Designer/ Manufacturing Engineer*
- Design furniture and products for the hospitality and residential sectors.
 - Implement the design process when developing projects.
 - Build 3D digital models of ongoing projects; render as needed.
 - Develop technical drawings of furniture and products for fabrication.
 - Communicate with the client, vendors and manufacturers during projects.
 - Coordinate fabrication of furniture and products: material inventory and purchasing, fabrication outsourcing, delivery to client.
 - Solve problems that arise during stages of ideation, design or fabrication.
 - Collaborate with other designers in the lab with projects in interior, furniture, product design or art installations.
- 2020
July-October **Havenly** | Remote | *Homestylis*
- Work online through the Havenly platform to create beautiful designs for Havenly clients.
 - Consistently achieve and/or exceed performance goals relating to both client happiness and sales targets.
 - Source furnishings and decor from a wide variety of retail, trade and wholesale vendors.
 - Stay active on social media as well as in local and online communities to bring awareness to brand and service.
 - Actively follow the latest news and trends in interior design.
 - Go above and beyond to ensure the needs of the clients are met, their experience is delightful, and the clients return again and again.
- 2018
June-December **SCAD** | Savannah, GA, USA | *Peer Tutor*
- Taught students various design softwares like Solidworks, Adobe Creative Suite, among others.
 - Composed and presented educational lectures, by special request of professors, about various topics like time management or design software.
- 2017
November-December **Laser Studio 3D** | Panamá, Panamá | *Model Maker*
- Designed and manufactured scaled furniture for architectural models in various materials (Medium Density Fiberboard (MDF), acrylic, paint, card stock, laminate, among others) with fabrication processes ranging from manual to mechanized (laser cutter).
- 2017
April-August **Freelance** | Panamá, Panamá | *Digital Artist*
- Partnered with Architect developing public school Antonio Jose de Sucre in David, Chiriquí, Panamá funded by the MEDUCA (Department of Education).
 - Advised in the implementation and design of outdoor furniture.
 - Built 3D digital model of the school and compiled a series of curated renders and video animation to best promote the project.
- 2016
June-August **Oficina del Casco Antiguo and Dirección Nacional del Patrimonio Histórico** | Panamá, Panamá | *Intern*
- Proposed a concept to restore the defense wall surrounding the historic district and integrate it to the main market square.
 - Mapped, photographed and compiled information of all historic buildings.
 - Composed technical reports of historic buildings.
- 2016
March-July **Panama Green Building Council** | Panamá, Panamá | *Intern*
- Monitored and analyzed energy consumption, solar panel power generation, and indoor air quality to ensure ideal working conditions and productivity in the office.
 - Co-authored a presentation about the performance of sustainable buildings; The Case of Success of the Office of the Panama Green Building Council.
 - Presented as a guest speaker at the *Foro Internacional y Expo 2016 Ciudades Sostenibles* (International Forum and Expo 2016 Sustainable Cities).

- Diploma of Interior Design

ACHIEVEMENTS

Honorable Mention:
European Product Design Award 2020: Prep.Store.Co

Honorable Mention:
IDA 2020: Prep.Store.Co.

1st Place Winner:
Target Design Challenge

Honorable Mention:
IX Bienal Jose Miguel Aroztegui: Abrigos de Emergencia

DESIGN SKILLS

Contextual Research
Model Making
Digital Modeling
Digital Rendering
Sketching
Wood Working
Plastic Casting
Metal Working
Laser Cutting

SOFTWARES

Rhino
Adobe:
• Photoshop
• Lightroom
• Illustrator
• InDesign
Autodesk:
• AutoCAD
• Revit
• Flow Design
Solidworks
Keyshot
Lumion
Google SketchUp
Microsoft Office:
• Word
• Powerpoint
• Excel
• Publisher

CERTIFICATIONS

LEED Green Associate
Adobe Certified Associate

INTERPERSONAL SKILLS

Project Management
Leadership
Organization strategies
Problem solving
Communication
Self-learner
Committed
Self-critical
Persevering
Inquisitive
